

MANI WINERY

KALLMETI TOUR

Mani Winery, owned by Fatjon Mani, is a family-run vineyard and winery established in 2012 in Gruemirë, Shkodër. Spread across 2.2 hectares of vineyards, the winery cultivates grape varieties such as Kallmet, Merlot, and Tempranillo, producing natural, unfiltered wines aged in barrels crafted from Albanian oak. Officially opened to the public in 2021, Mani Winery offers immersive experiences, including wine tastings, guided tours of the vineyards and cellar, and hands-on workshops where visitors can craft their own raki or wine. Guests can also take part in traditional activities like grape harvesting or savor the slow-roasting of lamb.

Nestled amidst picturesque mountains, Mani Winery goes beyond wine to provide outdoor adventures, including swimming and camping, offering a complete and unforgettable escape into nature and tradition.

MIQËSIA WINERY

KALLMETI TOUR

Located in Malësia e Madhe, near Koplik, Miqësia Winery blends traditional methods with advanced technology to produce high-quality wine and grape raki. Using locally cultivated grapes, the winery carefully processes the fruit under the expertise of experienced enologist Dr.

Enver Ulqini. The equipment and tanks are crafted from durable, non-reactive stainless steel to ensure purity, while bottling is done in an inert gas environment to prevent oxidation and preserve the wine's quality.

Miqësia Winery produces premium wines available at local and regional restaurants and offers a wine-tasting experience for visitors passionate about authentic Albanian wines. Since 2009, Miqësia has been HACCP-certified, reflecting its commitment to excellence in grape cultivation and wine production. Guests can enjoy tastings paired with local cuisine, creating a rich and immersive cultural experience.

KOPLIKU WINERY

KALLMETI TOUR

Kopliku Winery, established in 2007, is a family-owned vineyard and winery spanning 8 hectares in the picturesque town of Koplik, near Lake Shkodra. Specializing in Kallmet, Barbera, and Trebbiano wines, Kopliku Winery produces high-quality wines from locally grown grapes, ensuring excellence through careful cultivation.

The winery features a restaurant serving traditional local dishes, including roasted meats, fish from Lake Shkodra, and poultry cooked in wood-fired ovens. Guests can enjoy wine tastings in the elegant tasting room or unwind on the terrace, which offers stunning views of the vineyards and Lake Shkodra.

Open year-round, visitors are welcome to participate in vineyard activities, explore the scenic nearby trails, and savor the unique flavors of the region, making for a truly immersive experience.

MRIZI I ZANAVE AGRITOURISM

KALLMETI TOUR

Mrizi i Zanave, an agritourism restaurant and farm founded by Chef Altin Prenga and his brother Anton in Fishta, northern Albania, offers an authentic farm-to-table experience inspired by the legacy of Albanian poet Gjergj Fishta. Established on family land and recognized by the Slow Food movement, Mrizi i Zanave features seasonal, regional dishes, a winery producing award-winning Kallmet wines, and in-house processing workshops in a renovated former village prison. The venue, staffed by 70 workers, sources additional produce from 400 local families and provides accommodations in a restored stone guesthouse with modern touches. Farm tours, food processing workshops, and dining are available by reservation, ensuring a rich and immersive local culinary experience.

KALLMETI WINERY

KALLMETI TOUR

Kallmeti Winery, established in 2006 by the Gjini brothers, is located in the village of Kallmet near Lezha, nestled between the Zadrima plain and Mount Vela. Renowned for its rich tradition in grape cultivation, Kallmeti specializes in producing high-quality wines exclusively from the native Kallmet grape, a local variety celebrated for its unique qualities.

The winery has grown significantly from its initial production of 50 hectoliters to an average of 750-800 hl per year, with a total capacity of 1000 hl. Visitors can enjoy guided tours of the winery's facilities, including its aging cellars, the raki distillery, and olive oil production areas. Guests are invited to sample the winery's acclaimed products, including Kallmet Red, White, and the premium "Kallmet Prestige," as well as grape raki and olive oil.

Kallmeti Winery is open for daily visits from 9:00 AM to 6:00 PM, offering guided tours of the picturesque Kallmet area. These tours include visits to nearby churches, the historic city of Lezha, and the coastal region of Shëngjin. Visitors can also explore local restaurants and agrotourism destinations for an immersive culinary experience.

ARBËR WINERY

KALLMETI TOUR

Arbëri Winery, established in 1995 in Mirdita, combines the Kaçorri family's dedication to reviving the region's viticulture with innovative wine production technology and tradition. Known for cultivating indigenous Albanian grapes, especially Kallmet, Arbëri produces Kallmet, Kallmet Reserve (aged in oak), and Shesh i Bardhë, alongside a unique sparkling wine, Ardo, and barrel-aged grape raki. With a production capacity of 3200 hectoliters, the winery adheres to European quality standards and holds certifications from ICDQ. To enhance visitor experiences, the family is completing a restaurant and guesthouse inspired by the traditional Albanian 'kulla' architecture, featuring sustainable design elements. Guests can enjoy wine tastings in the vaulted cellar, savor regional dishes, and explore local attractions like the historic Spaç Prison Museum, hiking trails, and agritourism sites in Lezha and Rreshen.
